

VALET® LIMITED

TECHNICAL SPECIFICATIONS

Weight Capacity: 330 lb/150 kg

Position: Passenger side

Location: First or second row

Vehicle Types: Select minivans and select SUV's

Your luxury ride begins before you even enter your vehicle with Bruno's premium Valet Limited turning automotive seat. The Valet Limited offers more standard power features than any turning vehicle seat available. And the sleek appearance is second to none. With a single push of a button, the Valet Limited power rotates, reclines, extends and lowers to your needs.

- Fully powered: rotates, extends, moves up/down to proper height
- Automatic recline provides head clearance as seat passes through door frame
- One-button operation via hand-held control
- Power forward/backward
- Integrated footrest, armrests for comfort, stability
- Luxury-quality materials are scratch resistant, easy-to clean
- Standard black fabric or multiple color choices in leather or fabric
- Original seat is unmodified and easily reinstalled for resale
- Safe: meets or exceeds applicable federal safety standards
- Manual backup system
- Eligible for auto manufacturer potential rebates*
- 3-year warranty
